EC - CERTIFICATE OF CONFORMITY

0756 – CPD - 0593

In compliance with the Directive 89/106/EEC of the Council of the European Communities of 21 December 1988 on the approximation of laws, regulations and administrative provisions of the Member States relating to construction products (Construction Products Directive - CPD), amended by the Directive 93/68/EEC of the Council of European Communities of 22 July 1993 and realised in Germany by the Bauproduktengesetz – BauPG (building products law) of 28 April 1998 it has been stated that the construction product

Sormat Chemical Injection System ITH-Ve for concrete
Bonded Anchor with Anchor rod for use in concrete

placed on the market by

Sormat Oy
Harjutie 5
21290 RUSKO
FINNLAND

and produced in the factory

SORMAT OY, Plant 8

is submitted by the manufacturer to a factory production control and to the further testing of samples taken at the factory in accordance with a prescribed test plan and that the approved body – *Institut für Massivbau, Technical University of Darmstadt* – has performed the initial type testing for the relevant properties of the product, the initial inspection of the factory and the factory production control and performs the continuous surveillance, assessment and approval of the factory production control and an audit-testing of samples taken at the factory, on the market or on the construction site. This certificate attests that all provisions concerning the attestation of conformity and the performances described in the

European Technical Approval ETA – 13/0774

were applied and that the product fulfils all the prescribed requirements.

This certificate was first issued on 27.06.2013 and remains valid as long as the conditions laid down in the harmonised technical specification in reference or the manufacturing conditions in the factory or the factory production control (FPC) itself are not modified significantly, and latest on the expiration of the ETA on 15.05.2018.

Darmstadt, 27.06.2013
